C. IMPORTANT TERMS AND CONDITIONS

1. If the customer portion of the rebate is to be assigned to another party, the customer must authorize this by completing and signing section B of the application form.
2. It is the responsibility of the customer to ensure all requirements for the rebate are met and all required documentation is provided to NJNG.
3. Rebate payments will be based on the equipment purchase date.
4. Failure to provide any of the required information will prevent processing of NJNG's application.
5. **Please allow up to 60 days from the date NJNG receives all required information to process your rebate.**
6. NJNG reserves the right to inspect all installations in order to ensure compliance with all program requirements.
7. Installations of equipment in new homes are not eligible for rebates from NJNG's SAVEGREEN Rebate program.
8. Program procedures, requirements and rebate levels are subject to change or cancellation without notice.
9. NJNG provides no oversight or control over any contractor services related to this program. Responsibility for proper installation, as well as delivery and workmanship related to any equipment or services the customer procures rests exclusively with the contractor selected by the customer. NJNG assumes no responsibility for oversight of contractor services.
10. One rebate check will be issued to the customer applying for each approved and completed application.
11. NJNG audits its rebate programs as a protection against consumer and/or contractor fraud. Any attempt to defraud NJNG will result in automatic rejection of the rebate application and possible legal action.
12. Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
13. You are urged to seek appropriate professional advice concerning any tax liabilities that could be associated with the receipt of the rebate.
14. By participating in the NJNG's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by NJNG.
15. If you are applying for incentives for natural gas and electric measures at the same time through NJNG, you are prohibited from applying for the same incentive with your electric company.

INSTRUCTIONS FOR SUBMITTING THE SAVEGREEN REBATE

1. Keep copies of all above required documents. If contractor is submitting the rebate documents for you, we suggest you request your set of copies to be mailed to you simultaneously.
2. Use this application to apply for up to one washer and one dryer. If applying for more than one washer and dryer, separate rebate forms must be completed.
3. Send signed rebate form (keep copy for yourself), along with the above mentioned documents, to the address below:
