Email completed, signed application & all documentation to:
Heatpumps@nhec.com

Or Mail to: NHEC 579 Tenney Mountain Highway, Plymouth NH 03264 Attn Energy Solutions
*NOTE: Mailed application will take longer to process

TERMS AND CONDITIONS

REBATE FORM: This rebate form must be filled out completely, truthfully, and accurately. The member must date and submit the completed rebate form along with all required documentation for specific rebates and/or incentives. By submitting the rebate form, the customer agrees to abide by these Terms and Conditions. Program is subject to change without prior notice, including rebates and incentive levels.

TIME LIMIT: Qualifying units for equipment rebate must be purchased and installed between January 1, 2023 and December 31, 2023. Rebate forms must be postmarked by January 31, 2024.

PAYMENTS: From the time the rebate form is processed and approved, please allow 6–8 weeks for payment. Payment processing will take longer if information or documentation is missing from the rebate form.

PROOF OF PURCHASE: A copy of the customer's paid invoice itemizing the purchased equipment must accompany each rebate form. The invoice must indicate the equipment make, condenser and indoor model numbers, installation date and address, total install cost, and proof of payment.

APPROVAL AND VERIFICATION: NHEC reserves the right to conduct field inspections to verify installations prior to payment.

TAX LIABILITY: NHEC will not be responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates.

ENDORSEMENT: NHEC does not endorse any particular manufacturer, product, system design, or technology in promoting these offers.

LIMITATION OF LIABILITY: NHEC and their rebate administrator's liability is limited to paying the rebate and incentive specified. NHEC and their rebate administrator are not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in these offers.

LIABILITY & RELEASE: As part of the consideration for participating in the program, Customer hereby releases and shall indemnify, hold harmless and defend NHEC, their affiliates and the rebate administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of the equipment at the premises or any material and labor required for such installation.

WARRANTIES: NHEC DOES NOT WARRANT THE PERFORMANCE OF INSTALLED OR SERVICED EQUIPMENT, EXPRESSLY OR IMPLICITLY. NHEC makes no warranties or representations of any kind, whether statutory, expressed, or implied, including, without limitations, warranties or merchantability or fitness for a particular purpose regarding the equipment or services provided by a manufacturer or vendor. Contact your contractor for details regarding equipment performance and warranties.

ELECTRIC BENEFITS: Other than the energy cost savings realized by customer, NHEC is entitled to 100% of the benefits and rights associated with the energy-efficient measures, including without limitation ISO-NE products and all other attributes, credits or products associated therewith under any regional initiative or federal, state or local law, program or regulation or program, and customer waives, and agrees not to seek, any right to the same.

ELIGIBLE EQUIPMENT & INCENTIVES – LIMITED FUNDING

EQUIPMENT	MINIMUM REQUIREMENTS	REBATE AMOUNT
Air Source Heat Pump	≥18.0 SEER, ≥12.5 EER, ≥10.0 HSPF Must be ENERGY STAR® certified	\$500 per ton*
AC Only Heat Pumps	≥15.0 SEER, ≥12.5 EER Must be ENERGY STAR® certified	\$70 per ton*
WI-FI Thermostat**	Must be installed with a qualified heat pump system	\$100 per unit

*Rebate based on tonnage calculated by dividing AHRI cooling capacity by 12,000 (Example: 40,000 Btu's cooling/12,000=3.33 tons. 3.33 tons x \$/ton=rebate)

**Wi-Fi connections must be Internet enabled. Rebate not to exceed purchase price. Limit one (1) thermostat per heat pump zone installed per account.

To verify equipment qualification and obtain AHRI information, please visit: <https://www.ahridirectory.org>

Qualifying equipment must be installed between January 1, 2023 - December 31, 2023 and while funds are available to be eligible for a rebate. Rebate payment not to exceed 100% of total installation cost.

Owner/Contractor may be required to provide documentation that equipment meets program guidelines to qualify for rebate. Owner should verify with contractor that electrical service will meet the load requirements of the new equipment.
